

pose herein stated and in addition to the tax levied for general purposes as authorized by the charter of the town of Hurlock.

SEC. 5. *And be it enacted*, That the work of constructing and building the said sewerage system, including a sewerage disposal plant, and of acquiring the necessary property therefor, shall be done by the "Commissioners of Hurlock," through the agency of a Commission to be known as the "Hurlock Sewerage Commission," the members of which shall serve without pay, and which shall be composed of five persons, all citizens of the town of Hurlock, to wit: Jasper L. Thompson, Thomas I. Wright, Fred R. Waddell, S. O. Neal and S. Elwood Andrews; and any vacancy in said Commission, which occurs at any time shall be filled by the Commissioners of Hurlock, who shall select some citizen, or citizens of said town to fill such vacancy or vacancies, and the removal of any member of said Commission from the corporate limits of said town shall be equivalent to resignation from membership on said Commission and shall disqualify such member from further service thereon.

SEC. 6. *And be it enacted*, That the said "Hurlock Sewerage Commission" shall organize by electing one of its members as Chairman and another of its members as Secretary, and they shall have full power and authority to determine by a majority vote all questions connected with the building and construction of said sewerage system, and with the purchase and acquisition of all property or properties, supplies and materials necessary thereto, and they shall also determine what streets, lanes, alleys, routes and sections within the town of Hurlock, and what roads, ways or other property in the suburbs of said town shall be acquired and used for the construction and installation of such sewerage system; and they shall have power to make contracts for the building and construction of said sewerage system, and for the purchase and acquisition of property and materials therefor, and for the employment of labor, such contracts to be in writing and to be executed on the part of said Commission by the signature of the Chairman, attested by the Secretary; and they may, if they deem it advantageous, award the work of constructing the said sewerage system, or any part thereof, to the best responsible bidder therefor, after competitive bidding, under such terms as the said Commission may prescribe, reserving in any case to themselves the privilege of rejecting any and all bids; and if deemed advisable the said "Hurlock Sewerage Commission" may em-
